

DG Unlimited – Health and Safety Policy (2025)

This Health and Safety Policy complies with the UK's Health and Safety at Work etc. Act 1974. DG Unlimited is committed to maintaining a safe and healthy environment for staff, volunteers, freelancers, and visitors.

We do not have any physical building assets however we ensure that all our activities and any venues we use adhere to HSE standards of safety for our team, Board, members and volunteers.

Responsibilities for risk assessments, safe use of equipment, accident reporting, training, and emergency procedures are clearly outlined. The Finance Officer oversees the implementation and compliance of all health and safety measures.

The policy includes clear structures for consultation, communication, risk assessment, and incident management to support a proactive safety culture.
